About Pentagroup

Pentagroup Financial, LLC is a nationally recognized leader in accounts receivable management.

Pentagroup helps creditors achieve higher profitability and improved cash flow by utilizing its highly respected management expertise, next-generation intuitive technology and performance-driven collections team.

Pentagroup, headquartered in Houston, has experienced rapid growth by providing a full range of results-oriented solutions for its clients.

Results Delivered Through...

Customized Approach

Pentagroup works with each client to identify their particular needs, design an effective strategy, implement a reporting structure and deliver a customized accounts receivable management program to accomplish their recovery goals.

Strategic Partnership

Pentagroup has implemented customized accounts receivable management programs and delivered results for some of the world's largest companies in the following industries: telecommunications, credit card, automotive finance, utility and debt purchasing.

Management Expertise

Pentagroup is owned and managed by a team of industry experts who are directly involved with the daily operations of the company.

Experienced Staff

Pentagroup has one of the highest employee retention rates in the industry because the company hires well-trained collections experts to manage the accounts they serve and keeps employees motivated.

Superior Technology

Pentagroup offers real-time updates and reports to clients via a proprietary call management system designed to ensure operational efficiency, including single-click commands to enter information, update records and track progress.
